As described in our Terms of Use, you may not use Jessie's name, picture or likeness without Jessie's clear written permission. Kinetic Electro-House Vocals is an exciting and unique collection of vocals recorded in collaboration with singer, multi-instrumentalist and producer Jessie Covets, her california hometown's great outdoors. Commonly recorded in an abandoned water tower in the Santa Monica Mountains, filled with mobile recording equipment and materials such as metal chain connections, and using their own body, mouth and sound to find unique and inspiring ways to create natural room reverbs, this pack of unnaured spouses to process completely new sounds artistically. When I think recording vocals, outdoors or large echo chambers are not the first place that comes to mind, but this is very Was. Years of professional use And the experience of vocal processing, Jessy pushes the boundaries of what is possible by combining her love outdoors with experimental processing. This vocal pack is synergic with interesting but useful singability. Despite its interesting origin, this package is designed with modern production in place. Completely bespoke loops and a shot for vocal pads and experimental sound percussion chord advances, guitar, hook, lo-fi vocals, chopped and pitched loops, vooders and synthesized risers with this palette. A Kinetic artist is by definition: active, vibrant, dynamic and energetic. As a talented songwriter, powerful vocalist and experienced producer in the same order, Jessy leave nothing on the table in this extraordinary collection of her own examples.
